Dev Pandya

Front End Dev. & Design

"Hello, I'm Dev Pandya, an aspiring Interactive Media Design enthusiast. I embarked on my journey in this exciting field in the fall of 2022, and I've been on a captivating exploration ever since.

My skills revolve around web development, where I've harnessed the power of CSS, HTML, and JavaScript to create dynamic and visually appealing web experiences. In addition, I've dabbled in the Adobe Creative Cloud suite, allowing me to infuse a creative touch into my projects.

One of my true passions lies in crafting user-centric UI/UX designs. I revel in experimenting with design principles, seeking to create intuitive and engaging digital interfaces.

Apart from my technical prowess, I also bring excellent communication and teamwork skills to the table. Collaboration is where innovation thrives, and I thrive in a team environment, drawing inspiration from diverse perspectives.

When I'm not immersed in the world of design and technology, you might find me indulging in my love for anime, where the boundless creativity in storytelling

Skills: HTML , JavaScript, CSS, Adobe Creative Cloud

Resume

Industry Night

Role: Content creation & Design

Introduction

Dev Pandya, a web designer and content creator, played a vital role in the creation of a dynamic website to promote Fanshawe College's Interactive Media Design program and the upcoming Industry Night event in April. Dev faced a unique challenge during the project—creating a 15-second promotional video that encapsulated the essence of the event using just three key phrases: "Create, Inspire, and Transform."

Project Contributions:

Web Designer (Dev Pandya)

Crafted a succinct and impactful 15-second promotional video that revolved around the core concepts of "Create, Inspire, and Transform." Maintained the visual branding consistency with Fanshawe College, ensuring a professional and visually appealing presentation.

Explored font choices, ultimately selecting Montserrat and Open Sans to achieve a minimalistic and professional look.

Key Phrases

Dev's strategic choice of "Create, Inspire, and Transform" perfectly encapsulated the Industry Night event's essence, conveying the event's mission in just three words.

Visual Consistency

By keeping the design consistent with Fanshawe College's brand identity, the website seamlessly integrated with the broader institutional image, while still maintaining a unique and visually appealing presentation.

Font Selection:

The experiment with fonts, Montserrat and Open Sans, led to the discovery of the perfect combination for a minimalistic and professional appearance. This choice ensured that the website's typography complemented the content, enhancing the overall user experience.

Project Outcomes:

Dev Pandya's contributions were instrumental in the successful creation of the website for Fanshawe College's Interactive Media Design program. The 15-second promotional video, with its three key phrases, effectively conveys the event's essence, while the visual consistency with Fanshawe College's brand and the thoughtful font selection contribute to a professional and engaging online presence.
